Now one can enjoy free net surfing during a cab drive. Sistema Shyam TeleServices Limited (SSTL) on Monday announced the launch of a unique initiative for passengers travelling by Meru Cabs in New Delhi and Mumbai.

The company plans to launch similar services in other major towns soon.

The customers just need to ask the cab driver for an MBlaze dongle to enjoy free internet surfing along with an unlimited data download.

Flagging off the MBlaze powered Meru Cabs, Leonid Musatov, Chief Marketing Officer, Sistema Shyam Teleservices Limited (SSTL), said, "At MTS, our endeavour is to constantly excite and delight data users. Our partnership with Meru Cabs has been specially designed to offer seamless data connectivity to users on the go".

With the Cricket World Cup round the corner, such a service would also enable cricket enthusiasts travelling through the city to connect their laptops via mobile broadband and check out the latest match scores.
