

## Press Release

# Major expansion of MTS and its services in Haryana

**Chandigarh, 12th, April, 2010:** MTS, the mobile telephony services brand of Sistema Shyam Teleservices Limited (SSTL), will now be available across Haryana with its half a paisa per second tariff **voice services** and **high-speed mobile Internet service, MBlaze in four of its districts.**

MTS has a special inaugural offer of a 'Million minutes free' for life (MTS to MTS) on its MCard 498 plan. The half paisa per second offer for all local calls will be available to Haryana subscribers on the FRC99 plan with a validity of 30 days.

MBlaze will be available on a pre-paid platform in the districts, **Panipat, Sonipat, Rohtak** and **Bahadurgarh**. MBlaze was available in Haryana from the last week of 2009. With the expansion voice services, MTS has significantly completed its presence across the State.

MTS has a large, seamless high-speed mobile data services network in India offering speeds of up to 3.1 Mbps MBlaze service offers 24 hours of free download as part of the inaugural offer and there is no roaming surcharges while using the MTS network across India. **Free internet browsing to certain websites like Make MyTrip, Wikipedia, Yahoo India will allow subscribers to stay abreast with the latest in news, sports and fashion.**

**Mr. T Narasimhan, Deputy Chief Executive Officer, Sistema Shyam Teleservices Limited (SSTL)** said, "We are committed to enlarging the presence of MTS in India and this launch reflects our continued commitment as under the well laid out strategy. We provide the highest quality high speed data & voice services based on advanced technology."

"Our network has been adjudged by the regulatory authorities as one of the best in all the circles where we are present as we have minimum call drops with clear voice quality", said **Mr. Jens Kirchner, Chief Technology Officer, SSTL.**

**Mr. Sanjay Bahl, Chief Operating officer of MTS Delhi, NCR & Haryana circle** said "MTS provides unmatched high speed data & voice services. **MTS subscribers will be able to browse the web FREE for news, sports, fashion, lifestyle, travel and to shop at speed which will revolutionize the experience of using data cards.**"
